COMMUNICATION SERVICE AND REMOTE
COMPUTING SERVICE RECORDS PURSUANT TO 18 U.S.C. § 2703(d)**

This matter having come before the Court pursuant to an application under Title 18, United States Code, Section 2703(d) by Assistant United States Attorney Mark Zuckerman, an attorney for the Government, requesting an order under Title 18, United States Code, Section 2703(d) directing Yahoo!, Inc., to provide certain electronic communication service and remote computing service records; the Court finds that the applicant has certified that the information sought is relevant and material to a legitimate law enforcement inquiry, that is, to locate a fugitive from justice who is wanted in connection with possible violation of Title 18, United States Code, Section 3146 (a)(1).
